Durham Cancels Solid Waste Collections Due to Winter Weather

DURHAM, N.C. – The City of Durham is announcing the following service cancellations due to today's winter weather event.

- The City's Solid Waste Management Department has suspended solid waste, recycling, yard waste, and bulky items collections for Tuesday, February 24.
- Collection for trash and recycling will be delayed by one day for the remainder of this week, weather and road conditions permitting. Since collections for this week will now focus on trash and recycling, yard waste and bulky items collections are suspended for all customers until next week on their regularly scheduled collection day.
- Customers who are waiting for trash and recycling collections should leave their carts on the curb. Any questions or concerns regarding solid waste collection schedule changes should be directed to Durham One Call at (919) 560-1200.
