GREETINGS 
FROM DURHAM PARKS & RECREATION'S DIRECTOR

What a year it has been. Durham Parks and Recreation (DPR) has completed several community projects, sponsored several events and hosted hundreds of programs for Durham residents at our recreation centers. I could not be more proud of my staff and the things that we have been able to accomplish. There is no way that I can capture everything that we achieved last year in this letter, but what I am most proud of is that we were able to implement some of the ideas that you shared with us.

Durham residents expressed the need for more aquatics facilities and we heard you loud and clear. For the first time in the history of DPR we worked with a firm to conduct a Durham Aquatics Facilities Master Plan. Residents were invited to share their ideas and suggestions on how Durham can improve its pools and spraygrounds. In the coming months we will have a conceptual plan with options, recommendations, and a draft report that will give us an overview about what the community is looking for and what it will take to get us there.

Durham residents wanted Durham to bring back the Holiday Parade and we heard you loud and clear. Mayor William V. "Bill" Bell appointed an ad/hoc Parade Committee that included four Council Members and was chaired by Mayor Pro Tempore Cora Cole-McFadden. The Committee invited City staff and community members with experience producing parades to share feedback on possible parade route options. The Committee then commissioned DPR to work with an outside consultant to execute the parade.

Durham residents wanted us to focus on trails and we heard you loud and clear. We hired a consultant to perform a Trails Condition Assessment that will be conducted in the spring. This will assist with future maintenance plans for our 29 plus miles of trails and will dovetail with the Stormwater Assessment for Trails, Parks and Cemeteries in partnership with the Public Works department. DPR has recently welcomed the General Services Trails Crew and Landscape Crew into its Parks Maintenance team, giving us the ability to respond directly to maintenance needs.

And let's not forget the renovations and upgrades that we have been able to make to the parks and trails because of the ½ penny tax that you voted for and approved. The bathrooms were renovated at the following parks: Northgate, Forest Hills, East End, West Point on the Eno, Twin Lakes, and Elmira Avenue Parks. The bathrooms at Southern Boundaries, Wrightwood and Whippoorwill Park are currently under construction.

DPR has installed almost 1000 feet of guardrails throughout the park system to better protect our assets. Red Maple Park ball field and East Durham Recreation Center received new fencing. The trees were also cleared in Red Maple Park to increase visibility following Crime Prevention Through Environmental Design (CPTED) guidelines. Parking lots and entry drives were replaced throughout the park system. DPR has also been clearing successional growth vegetation around the ball fields at Valley Springs and Pineywood Park to improve maintenance and has been working on better drainage.

Visit dprplaymore.org for a full list of Durham Parks and Recreation's accomplishments. Thank you and Happy Holidays to you and your family.

Paint your Dog
Paint your dog using my handmade templates. There are many breeds and design options available. Bring a nice size color print photograph (no electronic images please - phones or tablets may be damaged from paint) of your dog to capture distinguishing characteristics. You may also email a photo and breed type of your dog two weeks prior to ensure a template. You do not have to paint a realistic image. In fact, suggestive painting, impressionistic painting, pop colors, or geometric shapes inside the form are more fun. There is no limit with imagination. Let's sing a song and paint! Beginners welcome.

Park Updates

Funded by the Durham City Council, the staff of Durham Parks and Recreation have responded to the public’s request to better maintain City parks and trails. Money from the new ½ Penny Tax for park and trail deferred maintenance, as well as money from the capital project planning, have gone into repairs.

The new Crest Street Park playground was made possible in partnership with KaBOOM!, Blue Cross Blue Shield of North Carolina and Keep Durham Beautiful. The new playground was built in 6 hours with 210 volunteers.

The Hillside Park Roller Rink was turned into a new futsal court during Summer 2016. Futsal is a modified form of soccer played with five players per side on a smaller field. This futsal court was provided in partnership with Disney, ABC, ESPN and the National Recreation and Park Association. The project included a new court remade for futsal, an improved shelter, and bleachers.

### Team Challenge and Low Ropes Course
At the low challenge course, staff facilitators use a variety of natural and man-made elements, games, and initiatives to help groups and individuals develop trust, cooperation, teamwork and leadership skills. Facilitators utilize a 13-element low ropes course, portable elements, hiking trails and other open spaces to create intellectually and physically engaging outdoor experiences for groups. Each program is individually designed based on a consultation with the client. The minimum age for participation at the low challenge course is 10 years of age, and programs can be designed for persons of differing abilities.

### High Ropes Course
Durham Parks and Recreation’s Discovery Course is a unique experience in personal challenge and high ropes course design. The Discovery Course is full of options, allowing participants to choose their degree of challenge throughout their journey, culminating in a peak experience in the Crow’s Nest, which offers birds-eye views of the surrounding area. A final thrill awaits with the participant’s choice of the giant swing or zip line as the exit off the course. The course is designed to motivate by building self-esteem, encouraging risk-taking, developing respect for individual differences and fostering trust through a common experience.

The Discovery Course is available to the public either through reservations as a group for a team building program, or on the bimonthly “Discovery Days.” For more information and pricing, individuals and groups may call DPR Outdoor Recreation at 919-560-4405 ext. 27347 or visit our website at DPRPlayMore.org or getoutdoorsdurham.blogspot.com.

Why a park foundation?

Fundraising and accepting donations
Private donors often like to give to the private sector because they have more control of how their money will be spent.

Grant writing and management
Many foundations only accept applications from 501(c)3 non-profit organizations.

Efficiency and flexibility
Foundation funding would allow for purchasing equipment, hiring repair crews, and increasing programming opportunities on an as-needed or emergency basis.

Advocacy
Volunteers have more freedom to speak out for budget increases, increased security, or in favor of acquiring new parkland, while a parks department works within the city’s adopted priorities.

Community ties
A non-profit foundation has strong credibility with residents and local institutions.

Consistent leadership
A mature nonprofit conservancy or friends group can sometimes provide more continuous leadership than public officials.

email Annette.Smith@durhamnc.gov to make your donation.
West Point on the Eno Park and Leigh Farm Park make up the City of Durham's Heritage parks. These significant natural and historic parks provide opportunities for picnicking, fishing, hiking, outdoor nature study, and cultural history programming.

Weekday tours of the buildings can be arranged in advance by calling 919-471-1623.

You can also enjoy a leisurely picnic and stroll around the grounds or take a hike through the woods on one of the park trails.
