NOTE: Please see required attachments and fee on reverse side

**Required Application Attachments (As Applicable)**

1.  **Application Fee: \$20.80 per parcel.** Make checks payable to "City of Durham." Starter checks and out-of-state personal checks will not be accepted. Cash payments or credit cards are only accepted if submitted in person at City
- Please provide copies of all required information below in addition to this completed application form.**
2.  **Family Care Homes and Group Homes, Related Permits/ Licenses:** Facility must open within 180 days (6 months) of the date of the verification letter or the letter will expire and the location will be released. If additional time is needed, one 6-month extension shall be granted if applied for before the expiration date. Along with the extension request, the applicant shall provide evidence to Planning that all licenses have been applied for, and it is the applicant's intent to occupy this location before the extended expiration date of this letter. Licenses shall include, but not be limited to:
    - State License
    - County Health Dept. Inspection/Permit
  3.  **Family Care/ Group Homes Separation Requirement:** At the time of submittal, Planning staff will prepare a map showing the property and all other properties within the regulated radius, per UDO Section 5.3, Limited Use Standards, and specified below.
    - Family Care Homes:** 1,125 foot minimum separation from other Family Care Homes
    - Group Homes:** 1,125 foot minimum separation from other Group Homes and Family Care Homes
  4.  **Other Nonresidential Uses with Separation Requirement (e.g., Kennel, Nightclub/ Bar, Outdoor Recreation, Etc.):** Planning staff can assist in preparation of an initial map showing the subject property and all other properties within a regulated radius (per UDO Section 5.3, Limited Use Standards). Applicant is responsible for identification of the uses of properties within the regulated radius, to be checked by staff after submittal.
  5.  **Parking Plan for Change of Use (contact the Development Services Center for Site-Specific Details):** If the proposed use requires more parking than the previous use(s) on the same property, a parking plan can be required to **show that adequate parking exists on site for all existing uses on the site plus the additional parking that will be required for the new use.** If the change of use involves/requires site changes that meet the UDO threshold for a site plan, it must be approved prior to establishing the new use. If a site plan is not required, provide 1 copy of an existing conditions plan for the property, drawn to scale, and include the following, as applicable, with dimensions and features clearly labeled:
 

<ul style="list-style-type: none"> <li><input type="checkbox"/> Name of the project</li> <li><input type="checkbox"/> Property address and PID</li> <li><input type="checkbox"/> Property lines</li> <li><input type="checkbox"/> Total area of property</li> <li><input type="checkbox"/> Building outline, showing locations of all doors</li> <li><input type="checkbox"/> Driveway location(s)</li> <li><input type="checkbox"/> Designated fire lanes</li> <li><input type="checkbox"/> Location, type, and size (in square feet) of each use in all buildings and outdoor activity areas</li> <li><input type="checkbox"/> Service locations (trash/recycling, loading, etc.)</li> </ul>	<ul style="list-style-type: none"> <li><input type="checkbox"/> Applicant's contact information with phone</li> <li><input type="checkbox"/> Motor vehicle parking spaces, numbered</li> <li><input type="checkbox"/> Handicap-accessible parking spaces, with required aisles and signage</li> <li><input type="checkbox"/> Label all parking surfaces with type of material</li> <li><input type="checkbox"/> Bicycle parking spaces, numbered</li> <li><input type="checkbox"/> Sidewalks and other pedestrian ways</li> <li><input type="checkbox"/> Locations of landscaping and planting areas around parking</li> <li><input type="checkbox"/> Above-ground utility locations and type</li> </ul>

This requirement does not apply to Household Living uses. It will be waived for other uses if sufficient parking has been documented on an approved site plan or previous parking plan, and uses on the property have not changed since the last approved plan. Contact the Development Services Center for assistance.
  - Spill Prevention Plan for Vehicle Service:** Provide 2 copies of a spill prevention plan if a site plan is not otherwise required. The form is available from the Public Works Department.

**Contact Us:** If you have any questions about this application, please contact the Durham Development Services Center at 919-560-4137, or send us an inquiry at: <https://dsc.durhamnc.gov>

**Note:** Please allow up to 48 hours for a background check for this site. You will be notified when a letter is ready for pickup or if there are other questions from Planning staff.
