### DOST Priorities

- |   |   |
|---|---|
| 1. Continue to advocate for secure funding to build out the priority trails   | from a diversity of applicants and geographic locations.                            |
| 2. Continue to advocate for intentional and predictable increased funding for trails and open space.                                | 5. Strengthen DOST's involvement in the development review process                  |
| 3. Support the adoption and implementation of the Durham Beltline Master Plan   | 6. Update the Greenways & Trails Master Plan, include a strong public input process |
| 4. Strengthen Matching Grants program by advocating for increased funding. Examine the process to encourage additional applications | 7. Ensure there are trail connections around the planned light rail stations        |
|   | 8. Implementation of the Urban Open Space Plan                                      |

9. Work on incorporating natural surface/non-paved trails into the trail network, including the

Timberlake Trail and potentially a trail following the Indian Trading Path
