The Durham City Council met in a regular session on the above date and time in the Council Chambers at 101 City Hall Plaza with the following members present: Mayor Steve Schewel, Mayor Pro Tempore Jillian Johnson and Council Members Vernetta Alston, Javiera Caballero, DeDreana Freeman, Mark-Anthony Middleton, and Charlie Reece. Absent: None.

Also Present: City Manager Tom Bonfield, City Attorney Kim Rehberg, City Clerk Diana Schreiber and Assistant City Clerk LaVerne Brooks.

Mayor Schewel called the meeting to order, welcomed everyone in attendance and requested a moment of silent mediation.

Council Member Reece deferred to Cub Scout Pack 424 to lead in the Pledge of Allegiance.

[CEREMONIAL ITEMS]

Mayor Schewel presented the Neighbor Spotlight award to recipient Patricia Obregon of Old East Durham PAC1.

Mayor Schewel read into the record the proclamation honoring Samaritan Health Center Day and presented it to Elizabeth Brill, Executive Director.

[ANNOUNCEMENTS BY COUNCIL]

Council Member Middleton introduced his new intern Imani Johnson, a student at North Carolina Central University; spoke about ongoing gun violence in the city and about the McDougald Terrace residents returning to their homes.

Council Member Freeman called for youth ages 14-24 to apply the City Youth Internship Program and announced several events to take place at the Carolina Theater.

[PRIORITY ITEMS BY THE CITY MANAGER, CITY ATTORNEY AND CITY CLERK]

City Manager Bonfield stated that Item 17; Ordinance to Amend the Durham City Code Provision Regulating the Withdrawal of Right-of-Way within the City, was not a public hearing item and should have been approved under the Consent Agenda.

City Attorney Rehberg and City Clerk Schreiber had no priority items.
[CONSENT AGENDA]

by the following vote: Ayes: Mayor Schewel, Mayor Pro Tempore Johnson and Council Members Alston, Caballero, Freeman, Middleton and Reece. Noes: None. Absent: None.

ORDINANCE #15605

[MCDougald Terrace Public Comments]

Ashley Canady, a resident of McDougald Terrace spoke to vandalism and reports of theft at various units in the complex.

Jantae Dunsten, a resident of McDougald Terrace spoke to water damage and reports of theft at various units in the complex.

[General Business Agenda]

Subject: Community Safety Task Force Bylaws (Item 21/ PR #13784)

Mayor Pro Tempore Johnson introduced the item and outlined its purpose.

Mayor Schewel called for any speakers to the item.

Quisha Mallette, a resident of Durham, spoke to her support of the proposed Taskforce.

Danielle Purifoy, a resident of Durham, spoke to her support of the proposed Taskforce and asked that additional youth members be included on the taskforce.

Beau Cromartie, a resident of Durham, spoke to her support of the proposed Taskforce and asked that members of the taskforce be compensated to ensure that the taskforce were to succeed.

Manju Rujendran, a resident of Durham, spoke to her support of the proposed Taskforce and thanked Mayor Pro Tempore Johnson and Council Member Alston for their leadership on the item. She also suggested engagement from the County Commissioners as well as the Durham Public School System.

Council Member Middleton stated that he was open to the idea of the taskforce, but expressed some concerns regarding the bylaws. He said that the item required additional work in order to effectively fit the majority of the residents within the city.

Council Member Alston asked for clarification on if the taskforce would exist without the other government entities adopting versions of the bylaws.

Council Member Middleton stated that he questioned if the other bodies would have adopted the bylaws. He suggested that the Council have that information before taking an official vote, since there was no specific deadline.
Council Member Alston suggested amending language in the bylaws to remove the word “expertise” and include “experience”.

Council Member Caballero cited the City-County Environmental Affairs Board as an example as to how both the City and County could vote on certain bylaws and amend them at a later date.

Mayor Schewel expressed concerns regarding the membership requirements being too restrictive for the taskforce and suggested that it should be more flexible. He also stated that he was okay with the city moving forward on the set of bylaws that were agreed upon and encouraged enlisting members of the public to assist with bringing the county on board at a future time.

Council Member Alston suggested referring the item to a future Work Session meeting.

Mayor Pro tempore Johnson stated that it was her preference was to pass the item that night and also include an additional youth position.

Council Member Freeman stated that she was apprehensive about moving forward upon learning that Durham County was not yet on board with the bylaws.

Mayor Schewel suggested that the item be referred back to the Work Session for further discussion.

Council Member Caballero expressed that it was her preference to have the item wrapped up by the next Work Session.

[GENERAL BUSINESS AGENDA - PUBLIC HEARINGS]

SUBJECT: UNIFIED DEVELOPMENT ORDINANCE TEXT AMENDMENT, SIGNS (TC1700002) (ITEM 16/ PR #13756)

Michael Stock stated for the record that the Planning Department hearing item had been advertised and noticed in accordance with state and local law, and affidavits of all notices are on file in the Planning Department and presented the following staff report:

Text amendment TC1700002 revised the signage regulations within Article 11, Sign Standards, primarily to conform to the United States Supreme Court ruling in Reed v. Town of Gilbert. Other changes technical in nature were also performed. A presentation was provided to City Council at its last work session, and a copy was included in the agenda packet. Primary changes included:

1. Updates to the purpose statements
2. Re-organization of the Article itself.
3. New “exempt”, “temporary” and “permanent” sign categories

4. Re-location of “Landmark signs” and technical corrections within the landmark designation section.

The City council was required to take two actions. The first was an action on the appropriate statement of consistency. The second was action on the ordinance amendment itself.

Mayor Schewel opened the public hearing and asked for any speakers to the item.

Council Member Freeman asked if it would have been permissible to place five different yard signs on five different corners for an extended period of time.

Mr. Stock advised that it was not permissible.

Council Member Alston stated that she was open to delaying the item so that all parties involved could gain clarity on what the item sought to do.

Council Member Reece thanked all of the city staff for their tremendous amounts of work on the item, but supported the will of the council if more information was needed to create the best situation for all.

Council Member Middleton stated that he was open to the Joint City-County Planning Commission taking another look at the item, even though he felt the staff recommendation was explicit.

Mayor Schewel suggested that the item be referred back to the administration for additional review.

**MOTION** by Council Member Alston, seconded by Council Member Middleton to refer Item 16 back to the administration, was approved at 8:20 p.m. by the following vote: Ayes: Mayor Schewel, Mayor Pro Tempore Johnson and Council Members Alston, Caballero, Freeman, Middleton and Reece. Noes: None. Absent: None.

Dan Milan of 4800 American Drive, commended the work of the Planning Department on the item and requested that stakeholders be included in future conversations before the item was put back before council.

Tammi Brooks of 1527 Pinecrest Road, thanked council and staff for their work on the item.

Seeing no additional speakers, Mayor Schewel declared the public hearing closed.
SUBJECT: CONSOLIDATED ANNEXATION - KENDRICK ESTATES (ITEM 18/ PR #13758)

Emily Struthers stated for the record that the Planning Department hearing item had been advertised and noticed in accordance with state and local law, and affidavits of all notices are on file in the Planning Department and presented the following staff report:

The request for a utility extension, voluntary annexation, and initial zoning map change was previously heard at the December 16th City Council meeting and was continued to the evening of February 17, 2020.

During the time of the continuance, the case was sent to chairpersons of four organizations for review and comment and planning staff provided support at their meetings. These included the Durham Open Space and Trails Commission (DOST), Environmental Affairs Board (EAB), New Hope Creek Corridor Advisory Committee, and Friends of Hollow Rock Nature Park. Additionally, comments were received from the New Hope Audubon Society and N.C. Wildlife Resources Commission. Comments provided by these organizations were included as attachments in the staff report. The organizations had identified ways for the proposed Kendrick Estates to more responsibly develop adjacent to the Hollow Rock Nature Park. Staff generally concurs with the recommendations provided and encouraged the applicant take them into consideration. However, there was no mechanism for text commitments to be proffered in conjunction with the application since this was a request for annexation with a direct translational zoning.

Further, analysis of the stormwater impacts of this site had been considered. City Stormwater will require 100 year peak flow detention which was the most stringent and more stringent than County Stormwater requirements.

Should the Council have acted favorably, approval of the annexation petition and zoning would become effective on March 31, 2020.

Mayor Schewel opened the public hearing and asked for any speakers to the item.

Nil Ghosh attorney for the applicant, made introductory remarks regarding the commitment to the neighbors; impacts on wildlife; full cutoff lighting, and motion sensors.

Kari Bishop- Kuhn of 4 Moon Valley Lane, spoke in opposition of the item due to the ambiguity of public impact on the local environment and wildlife.

Scott Sundseth of 4315 Branchwood Drive, spoke in opposition of the item and cited stormwater drainage as his main concern.
Paul Lindia of 4316 Forest Edge Trail, spoke in opposition of the item and showed a video regarding the excessive stormwater that occurs behind his yard and indicated that additional homes would exacerbate the current issue.

Karen Lindia of 4316 Forest Edge Trail, spoke in opposition of the item and stated that the proposed stormwater of the development would lead to increased flooding on her property and the property of her neighbors.

Tiffany Friesen of 4313 Branchwood Drive, spoke in opposition of the item and stated that additional work was needed to the proposal to assure current residents of the neighboring developments that there would not be an influx of stormwater.

Kombiz Klein of 4203 Forest Edge Trail, asked for a delay on the item to allow for the developer to address stormwater and traffic concerns.

Spencer Jennings of 3612 Randolph Road, spoke to a decrease in property values due to stormwater as a reason for council to have deferred the vote on the item.

Mr. Ghosh addressed some of the residents’ concerns and stated that he was working with city staff on certain issues. However; he stated that the stormwater issue previously existed and that the proposed development would not necessarily mitigate those existing issues and would not make them worse.

John Kent of 384 Cub Creek Road in Chapel Hill, spoke in opposition of the item and cited the lack of a site plan addressing certain trail connections as the reasons for his concern.

Roman Jennings a resident of 3612 Randolph Road, spoke in opposition of the item and cited wildlife concerns and water runoff as reasons for his position.

Mr. Ghosh addressed the concerns of the additional speakers and outlined floodplain areas on a map. He suggested that while there was a stormwater issue in some areas, they were not currently on the proposed land development.

Seeing no additional speakers, Mayor Pro Tempore Johnson declared the public hearing closed.

Council Member Caballero asked for clarification regarding any proffers with the item.

Ms. Struthers advised that anything being offered was not a proffer due to the proposed annexation status not making them enforceable by the city.

Council Member Reece asked for more context regarding the commitments made by Mr. Ghosh on behalf of his client.
Mr. Ghosh agreed with Ms. Struthers' previous response that the commitments made by the developer were not enforceable by the city; however, he stated that it was his belief that the developer would follow through on any commitments made.

Mayor Schewel asked if the developer could provide any type of assurances that they would follow through on their commitments.

Mark Bowls, a representative for Baker Residential advised that they intended to carry out all of their commitments as they planned to do future business with the City of Durham and would not have wanted to tarnish their reputation.

Mayor Schewel asked for more information regarding the stormwater issue.

Pat Young, Director of the City-County Planning Department confirmed that there was an existing drainage concern in the Hope Creek subdivision as well as the Trinity School.

Council Member Middleton asked if the proposed development would exacerbate the condition of the current stormwater problem.

Mr. Young stated that the large volumes of water that caused the moving of debris would have been reduced or improved, but the total volume of water could have become higher.

Council Member Middleton expressed concerns that by approving the item the development could potentially do harm to the preexisting stormwater issue.

Mayor Schewel thanked his colleagues for their opinions on the item and spoke about social trails. He also asked if the developer would be willing to make a contribution to assist Trinity School with their stormwater improvements so that it would help all parties involved with the stormwater issue.

City Manager Bonfield asked for Mr. Young to provide more insight as to why Trinity School played such an integral role in the stormwater improvements to the area.

Mr. Young stated that improvements to the Trinity School to create a conveyance would positively affect the entire area regarding stormwater due to its size and proximity.

Mr. Ghosh advised that if the improvements already being made by the Trinity School did not help with the problem, then Baker Residential could take up the issue at that time.

Council Member Caballero asked if the proposed fence was going to be rod iron and 5ft tall.

Mr. Ghosh advised that the fence would be 5ft and made out of black aluminum.

Council Member Freeman asked staff if it would be beneficial to wait for the outcome of the repairs made by Trinity School.
Mr. Young stated that decision would be at the pleasure of the council.

Council Member Freeman suggested deferring the item until after any repairs by Trinity School were completed.

Council Member Middleton stated that he did not want to unduly reward or burden a developer without having heard from a representative of the Trinity School regarding the plans for their improvements.

Council Member Freeman stated that she could not support the item.

Council Member Reece thanked everyone for coming to the meeting and expressing their concerns and also stated that he did not believe the property should have been annexed.

MOTION by Mayor Schewel, seconded by Council Member Middleton, to adopt an ordinance annexing Kendrick Estates into the City of Durham effective March 31, 2020, and to authorize the City Manager to enter into a utility extension agreement with Baker Residential of the Carolinas, LLC, was approved at 9:51 p.m. by the following vote: Ayes: Mayor Schewel, Mayor Pro Tempore Johnson, Council Members Alston and Middleton Noes: Council Members Caballero, Freeman, and Reece. Absent: None.

ORDINANCE #15606

MOTION by Mayor Schewel, seconded by Council Member Middleton, to adopt a Consistency Statement as required by NCGS 160A-383, was approved at 9:52 p.m. by the following vote: Ayes: Mayor Schewel, Mayor Pro Tempore Johnson, Council Members Alston and Middleton Noes: Council Members Caballero, Freeman, and Reece. Absent: None.

UNIFIED DEVELOPMENT ORDINANCE
ZONING MAP CHANGE CONSISTENCY STATEMENT
BY THE DURHAM CITY COUNCIL
REGARDING Z1900049A, Kendrick Estates

WHEREAS the Durham City Council, upon acting upon a zoning map change to the Unified Development Ordinance and pursuant to state statute GS 160A-383, is required to approve a statement describing how the action is consistent with the Durham Comprehensive Plan; and

WHEREAS the Durham City Council, upon acting upon a zoning map change to the Unified Development Ordinance and pursuant to state statute GS 160A-383, is required to provide a brief statement indicating how the action is reasonable and in the public interest.
NOW THEREFORE, BE IT ADOPTED BY THE DURHAM CITY COUNCIL AS APPROPRIATE:

That final action regarding zoning map change Z1900049A, Kendrick Estates is based upon review of consistency with the Durham Comprehensive Plan and any other officially adopted plan that is applicable;

That the proposed zoning map change designation is consistent with the Future Land Use Designation on the property; and

That the proposed zoning map change is reasonable and in the public interest based upon the information provided within the staff memo and associated documents submitted to the City Council, and the information provided through the public hearing.

MOTION by Mayor Schewel, seconded by Council Member Middleton, to adopt an ordinance amending the Unified Development Ordinance by taking property out of the Residential Suburban - 20 (RS-20) Zoning District County Jurisdiction and establishing the same as Residential Suburban-20 (RS-20) Zoning District City Jurisdiction, was approved at 9:52 p.m. by the following vote: Ayes: Mayor Schewel, Mayor Pro Tempore Johnson, Council Members Alston and Middleton Noes: Council Members Caballero, Freeman, and Reece. Absent: None.

ORDINANCE #15606

[ADJOURNMENT]

Being no additional business to come before Council, Mayor Schewel adjourned the meeting at 9:53 P.M.

LaVerne Brooks Diana Schreiber, CMC
Assistant City Clerk City Clerk
