

Public Hearings Heard – January 3, 2018

Text Amendment TC1700007 – Design District Streetscape Alternatives - A privately-initiated text amendment to develop alternative streetscape standards for Design Districts.

The text of the proposed amendment may be viewed at the [website](#), and will be reviewed by the Joint City-County Planning Committee (JCCPC) on January 3, 2018 to provide comments and additional policy direction. The JCCPC does not hold public hearings, although its meetings are open to the public. No public hearings have been scheduled at this time.

Any comments or questions can be sent to [Michael Stock](#) at 919-560-4137, ext. 28227.
