Good Things Are Happening In Durham

CITY OF DURHAM EQUAL BUSINESS OPPORTUNITY PROGRAM

Policy Statement

It is the policy of the City to provide equal opportunities for City contracting to underutilized businesses owned by minorities and women doing business in the City's Contracting Marketplace. It is further the policy of the City to prohibit discrimination against any firm in pursuit of these opportunities, to conduct its contracting activities so as to prevent such discrimination, to correct the present effects of past discrimination and to resolve complaints of discrimination.

Goals

To increase the dollar value of all City contracts for goods and services awarded to minority and women business enterprises, it is a desire of the City that the contractor will voluntarily undertake efforts to increase the participation of minority and women individuals at higher skill and responsibility levels within non-minority firms engaged in contracting and subcontracting with the City.

The Equal Opportunity/Equity Assurance Director shall determine participation goals based upon the availability of minority and women business enterprises (MWBES) within the defined scope of contracting, and the goals established for the contracting category.

Equal Business Opportunity Program UBE Participation Documentation

If applicable information is not submitted with your proposal, your proposal may be deemed non-responsive.

UBE Participation Documentation must be used to document participation of an underutilized business enterprise (UBE) on Professional Services projects. All UBEs must be certified by the State of North Carolina as a historically underutilized business, the North Carolina Department of Transportation as a minority-owned or women-owned business or the U.S. Small Business Administration's 8(a) Business Development Program prior to the submission date. If a business listed has not been certified, the amount of participation will be reduced from the total utilization.

Employee Breakdown must be completed and submitted for the location providing the service/commodity. If the parent company will be involved in providing the service/commodity on the City contract, a consolidated employment breakdown must be submitted.

Letter of Intent to Perform as a Sub-consultant/Subcontractor must be completed for UBEs proposed to perform on a contract. This form must be submitted with the proposal.

Post Proposal Submission UBE Deviation

Post proposal submission UBE deviation participation documentation must be used to report any deviation from UBE participation either prior to or subsequent to startup of the project. The Equal Opportunity/Equity Assurance Department must be notified if the proposed sub-consultant/subcontractor is unable to perform and for what reasons. Substitutions of sub-consultants/subcontractor, both prior to and after awarding of a contract, are subject to City approval.

UBE Goals Not Met/Documentation of Good Faith Efforts

It is the responsibility of consultants/contractors to make good faith efforts. Good Faith Efforts means the sum total of efforts by a particular business to provide equitable participation of minority-owned and women-owned individuals or businesses as sub-consultants/subcontractors.

Whenever contract alternatives, amendments or extra work orders are made individually or in the aggregate, which increase the total value of the original contract, the consultant must make a good faith effort to increase UBE participation such that the amounts subcontracted are consistent with the established goals.

SELECTION OF CONSULTANTS/CONTRACTORS FOR ARCHITECTURAL/ENGINEERING AND OTHER PROFESSIONAL SERVICES

Goal

The purpose is to provide underutilized business enterprises owned by minorities and women with equal opportunities for participation on City of Durham contracts.

Definition of the Scope of the Selection Policy

The Equal Opportunity/Equity Assurance Director shall determine UBE participation goals for each contracting category to be awarded by the City. Goals for each project or contract will be based upon the availability of underutilized business enterprises(UBE's) within the defined scope of work, delineated into percentages of the total value of the work.

The City of Durham will consider a formal certification of the State of North Carolina's Historically Underutilized Businesses (HUB) Office, North Carolina Department of Transportation (N.C. DOT) minority and women businesses and the United States Small Business Administration (U.S. SBA) 8(a) Development Program as meeting the requirements of the Equal Business Opportunity Program, provided there is evidence that the firm is currently certified by one of the stated entities.
