ORDINANCE TO ESTABLISH FARRINGTON ROAD WATERLINE SERVICE AREA FEES

WHEREAS, the City of Durham provides water supply, water treatment and wastewater treatment facilities for use by customers; and

WHEREAS, the City of Durham has reviewed and analyzed the costs of the City extending waterline in Farrington Road to provide water service to an area not currently served; and,

WHEREAS, it is appropriate that new users offset the capital costs of expanding or constructing such facilities which result from serving them; and,

WHEREAS, the City of Durham has coordinated with active development to participate in cost sharing for the construction of the waterline in Farrington; and,

WHEREAS, the City has concluded after due deliberation that it would be more financially prudent for the City to participate in the cost to construct the waterline in Farrington Road to be reimbursed by future development; now therefore

THE CITY COUNCIL OF THE CITY OF DURHAM ORDAINS:

Sec 1. The City's fee schedule shall be amended to add a new section (d) to Part 15-103D:

Part 15-103 (d) This table represents service area fees applied to new water connections in the Farrington Road Waterline Service Area.

Residential Unit	\$377.11
Non- Residential Unit, rate per gallon of average daily flow	\$1.05

The fees stated in Part 15-103 (d) shall increase 5%, compounding annually effective July 1 of each year, with the first annual increase occurring on July 1, 2018. The rates shall be rounded up to the nearest cent with each increase.

Sec. 2. This ordinance is effective upon adoption by City Council.
