Subject: Letter to Industry – Water and Sewer Pre-Approved Products, Details, and Specifications Public Comment Period

Water Management is pleased to announce the publishing of the new Water and Sewer Pre-Approved Products, Details and Specifications. Beginning today, the Pre-Approved Product List, Details, and Specifications will be posted at the link below for public comment until June 9, 2017. During this period all are welcomed to review and provide feedback regarding the new Pre-Approved Products, Details, and Specifications. Please email any questions or comments to brian.sessoms@durhamnc.gov. Submitted comments and/or questions must reference the specific product, detail, and/or specification. After the comment period is complete, any revisions will be summarized and published at the link below and through a Letter to Industry. The Water and Sewer Pre-Approved Products, Details, and Specifications will then become effective July 1, 2017 and will apply to all projects that have not received a permit to begin construction as of July 1, 2017.
