

Angier-Driver Neighborhood Commercial Area Streetscape Project

Public Meeting

On September 21, 2010, a neighborhood meeting was held from 6 PM until 7:30 PM in the Angier Avenue Baptist Church located at 2101 Angier Avenue. At the meeting City of Durham representatives described the preliminary project area, planned improvements, budget and schedule. Those in attendance were invited to comment.

Comments:

- Looks good... make it happen
- Keep local businesses informed during construction
- Establish a fund to help improve the buildings
- Save and re-use the existing granite curbs
- Expand the project area to include additional streets
- Hire locals as part of the project workforce
- Construct a public parking lot
- Enforce the laws that prohibit loitering
- Remove the utility poles and overhead wires
- Looks great...let's get started
- Help establish a merchants association
- Consider installing a civic space
