

2020

Poster Contest Guidelines

Size and material:

- Poster must be created on paper.
- Can be no larger than 22" x 28".
- Original must be submitted. Photocopies are not accepted.

Content:

- Poster should depict participant's own ideas, reflecting this year's theme: **The Value of Water.**
- No computer generated graphics, photographs, collages, puff paint or glitter.
- Do not glue artwork or 3D objects to poster.
- Posters with participant's name on the front will be disqualified.

Submission:

- Each entry must have a completed entry form attached to the back of the poster.
- Entries are due **March 25, 2020.**
- Entries can be mailed to **1600 Mist Lake Dr. Durham, NC 27704** or pickup can be arranged.
- 3 divisions: grades K-2, 3-5, and 6-8.
- Posters become the property of the City of Durham and will not be returned.

Local and State Competition:

- Local winners will be recognized by City Council at a special ceremony during Drinking Water Week (May 3 - 9, 2020).
- Winners will represent Durham in the statewide contest sponsored by the NC American Water Works Association and the NC Environment Association.

Judging Criteria:

- Depiction of the theme
- Originality of work
- Creativity
- Spelling/grammar/mechanics
- Aesthetics (overall presentation)
