MEMO TO: Prospective Bidders
SUBJECT: City of Durham Contract SW-32 – Dearborn Bridge Construction
ADDENDUM 2: Prospective bidder questions

Questions:

Question 1. Is there a bid bond or just a performance and payment bond required with the bid?

- a. A bid security or bid bond is required with the submittal of a bid. A performance and payment bond is required when the successful bidder delivers the executed agreement to the City of Durham.**

Question 2. Are there any other bridge plans for the Dearborn project?

- a. The available drawings provide a schematic for where the bridge is to be set. Additionally, there are notes on the drawings specifying the length and width of the proposed bridge. The contractor is to partner with a bridge design/manufacturing firm. The bridge manufacturing firm will design/manufacture the bridge and deliver it to the project site. The contract manual provides additional information as well.**

Question 3. May I receive a copy of the list of people who attended the pre-bid meeting?

SW-32 Bidder's List				
Company	Email	Contact	Phone	Attended Pre-Bid
D's Concrete & Masonry Demolition	stacey@d-concrete.com	Stacy Moore	919-358-5149	Yes
