DESCRIPTION OF PROJECT AND NATURE OF RFQ

30. **Project.** This is a Request for Qualifications (RFQ) from select Small Local Business Enterprise (SLBE) firms (Engineers) to provide design services for water and sewer extension projects in the City. The design work involved will be to prepare preliminary engineering documents, permits, plans, plats, and other required tasks to extend existing water and sewer lines to locations which have been pre-selected through the City's petition process. The work requires survey and planning to determine optimal placement of facilities subject to existing constraints. The selected firm will prepare calculations, survey data, acquisition plats, technical specifications, and final plan documents and estimates to enable City staff to advance project to construction bid phase. All currently scoped work is City-funded. Firms shall demonstrate previous experience with the preparation of engineering documents for projects of a similar magnitude for municipal clientele.

The RFQ project manual is available for download at the following web page.

<http://durhamnc.gov/615/2018-Water-Sewer-Extension-Construction->

40. **Scope of Work.** The City is soliciting a person or firm to provide engineering services for the below listed projects. The below list is not exclusive and represents expected improvements at the time of issuance of this RFQ. Work may be added or removed from the list at the City's discretion. Firms should expect that added work will be of a similar type and complexity.

The following are activities that the selected firm will be responsible for delivering:

Scoping:

Review the project parameters. Make a site visit to assess the project scope. Prepare an opinion of cost estimate and determine a schedule. Develop a list of project stakeholders. Organize a scoping meeting. Determine what permits and environmental documents may be required and acquire as necessary.

Design:

Organize, direct, and prepare survey work as required. Develop an initial set of technical drawings for review by City departments, including outfall designs where necessary. Prepare the design. Present the Design at various stages to the stakeholders for input. Secure the necessary permits to construct the project. Guide the process to secure NCDOT Encroachment approval.

Acquisition:

Prepare a packet of information for the City Real Estate division to provide them with the parameters of the acquisitions. Provide a simplified construction drawing showing the existing ROW, proposed ROW, Temporary Construction Easements, Permanent Drainage Easements, and other easements as may be required. Prepare final plats ready for recordation.

Construction Bid:

Develop a Project Manual to bid the construction work. Assist with pre-bid meetings. Provide updated construction cost estimates.

50. Compensation Amount and Schedule. Progress payments will be made on a monthly basis reflective of the deliverables. Some months will involve a high level of activity, while other months will only involve a modest amount of monitoring of the activities of others as they perform their work. The contract can be structured to last approximately 12 to 24 months.

60. Definitions in this RFQ: City, RFQ, Proposal, Candidate, Contractor, Should. Unless the context indicates otherwise – (a) The expressions “RFQ,” “this RFQ,” and “the RFQ” refer to this document as it may be amended or updated. (b) “City” and “city” mean the City of Durham. (c) The “proposal” is the response of a person, firm, or corporation proposing to provide the services sought by this RFQ. (d) The word “Candidate” or “candidate” is the person, firm, or corporation that submits a proposal or that is considering submitting a proposal. (e) The word “Contractor” or “contractor” is the person, firm, or corporation with which the City enters into a contract to provide the services sought by this RFQ. That is, “contractor” generally refers to a successful candidate that has obtained a fully executed contract with the City, while “candidate” is generally reserved to the stage before a contract has been signed. (f) The word “should” is used to tell candidates what the City thinks it wants and/or what the project manager thinks is best. Candidates that want to increase the likelihood of being selected will, in general, do what the RFQ says candidates “should” do, but failure to comply with all “shoulds” will not necessarily and automatically result in rejection.

70. Contract. The City anticipates that the conclusion of the RFQ process will be a contract between the City and the successful candidate under which the successful candidate will provide the goods and services generally described in this RFQ. It is the City’s intention to use the contract that is attached as Attachment A – Professional Services Contract modified and filled in to reflect the RFQ and the proposal. If a candidate objects to any of the contract, it should state the objections in its proposal.

80. Trade Secrets and Confidentiality. As a general rule, all submissions to the City are available to any member of the public. However, if materials qualify as provided in this section, the City will take reasonable steps to keep trade secrets confidential.

Definitions.

In this section (Trade Secrets and Confidentiality) –

The term “candidate” includes the candidate as contractor (that is, after it is a party to a contract with the City).

The term “trade secret” means business or technical information, including but not limited to a formula, pattern, program, device, compilation of information, method, technique, or process that:

- a. Derives independent actual or potential commercial value from not being generally known or readily ascertainable through independent development or reverse engineering by persons who can obtain economic value from its disclosure or use; and
- b. Is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

The existence of a trade secret shall not be negated merely because the information comprising the trade secret has also been developed, used, or owned independently by more than one person, or licensed to other persons.

The term “record” means all documents, papers, letters, maps, books, photographs, films, sound recordings, magnetic or other tapes, electronic data-processing records, artifacts, or other documentary material, regardless of physical form or characteristics, received by the City of Durham in connection with the candidate’s proposal.

(a) Designation of Confidential Records. To the extent that the candidate wishes to maintain the confidentiality of trade secrets contained in materials provided to the City, the candidate shall prominently designate the material with the words “trade secrets” at the time of its initial disclosure to the City. The candidate shall not designate any material provided to the City as trade secrets unless the candidate has a reasonable and good-faith belief that the material contains a trade secret. When requested by the City, the candidate shall promptly disclose to the City the candidate’s reasoning for designating material as trade secrets; the candidate may need to label parts of that reasoning as trade secrets. In providing materials to the City, the candidate shall make reasonable efforts to separate those designated as trade secrets from those not so designated, both to facilitate the City’s use of the materials and to minimize the opportunity for accidental disclosure. For instance, if only a sentence or paragraph on a page is a trade secret, the page must be marked clearly to communicate that distinction. To avoid mistake or confusion, it is generally best to have only trade secret information on a page and nothing else on that page.

To the extent authorized by applicable state and federal law, the City shall maintain the confidentiality of records designated "trade secrets" in accordance with this section. Whenever the candidate ceases to have a good-faith belief that a particular record contains a trade secret, it shall promptly notify the City.

(b) Request by Public for Access to Record. When any person requests the City to provide access to a record designated as a trade secret in accordance with subsection (a) above, the City may

- (1) decline the request for access,
- (2) notify the candidate of the request and that the City has provided, or intends to provide, the person access to the record because applicable law requires that the access be granted, or
- (3) notify the candidate of the request and that the City intends to decline the request.

Before declining the request, the City may require the candidate to give further assurances so that the City can be certain that the candidate will comply with subsection (c) below.

(c) Defense of City. If the City declines the request for access to a record designated as trade secrets in accordance with subsection (a), then, in consideration of the promises in (b) above and for considering the candidate's proposal, the candidate agrees that it shall defend, indemnify, and save harmless Indemnitees from and against all Charges that arise in any manner from, in connection with, or out of the City's non-disclosure of the records. In providing that defense, the candidate shall at its sole expense defend Indemnitees with legal counsel. The legal counsel shall be limited to attorneys reasonably acceptable to the City Attorney.

Definitions. As used in this subsection (c), "Charges" means claims, judgments, costs, damages, losses, demands, liabilities, fines, penalties, settlements, expenses, attorneys' fees, and interest. "Indemnitees" means the City, and officers, officials, independent contractors, agents, and employees, of the City. "Indemnitees" does not include the candidate. The City may require the candidate to provide proof of the candidate's ability to pay the amounts that may reasonably be expected to become monetary obligations of the candidate pursuant to this section. If the candidate fails to provide that proof in a timely manner, the City shall not be required to keep confidential the records whose non-disclosure gives rise to the potential monetary obligation. Nothing in this agreement shall require the City to require any person (including the City itself) to be placed in substantial risk of imprisonment, of being found by a court to be in contempt, or of being in violation of a court order. This subsection (c) is separate from and is to be construed separately from any other indemnification and warranty provisions in the contract between the City and the candidate.

110. Discretion of the City.

- A. The City of Durham reserves the right to reject any or all proposals.
- B. NOTWITHSTANDING anything to the contrary in this document or in any addendums to this document, unless the contrary provision refers specifically to this provision, the City reserves the right (i) to negotiate changes of any nature with any candidate with respect to any term, condition, or provision in this document and/or in any proposals, whether or not something is stated to be mandatory and whether or not it is said that a proposal will be rejected if certain information or documentation is not submitted with it, and (ii) to enter into an agreement for some or all of the work with one or more persons, firms, or corporations that do not submit proposals. For example, all deadlines are for the administrative convenience or needs of the City and may be waived by the City in its discretion. This subparagraph B applies to the entire RFQ, including the SDBE portions.
- C. Where the City asks or tells candidates to do stated things, such as that a proposal should follow a stated format or that the candidate should do stated things in seeking the contract, the City may reject a proposal because it does not comply with those requests, so the candidate is adding to its risk of rejection by non-compliance. Still, the City may, in its discretion, waive non-compliance. This subsection (C) does not limit subsections (A) and (B).

COVER LETTER WITH PROPOSAL

250. Cover letter. The proposal should contain a cover letter, signed by a principal of the candidate. The cover letter should contain the following statement:

The undersigned, whose title and position with the candidate are stated next to or beneath his or her signature, has the authority to submit this proposal (including this cover letter) on behalf of the candidate in response to the City of Durham's Request for Proposals.

Unless otherwise clearly stated in this response to the RFQ, our proposal accepts the terms and conditions stated in the RFQ, including the description of services to be performed and the provisions of the contract to be signed.

The cover letter should contain one of the following two paragraphs A or B. If (i) the cover letter lacks both paragraph A and paragraph B, or (ii) the cover letter contains paragraph A but fails to comply with the instructions in the section of the RFQ titled "Trade Secrets and Confidentiality," the City may treat everything it receives from the candidate as NOT trade secret or confidential, and the City may disclose to the public everything it receives from the candidate.

A. With respect to all trade secrets that the candidate may submit to the City in connection with this proposal or the contract, if the contract is awarded to the candidate, the candidate shall comply with the section of the RFQ titled "Trade Secrets and Confidentiality," including all of its subsections, including the subsection titled "Defense of City." The candidate acknowledges that the City will rely on the preceding sentence.

-or-

B. The candidate is not submitting any trade secrets to the City in connection with this proposal or the contract; if the contract is awarded to the candidate, the candidate will not submit any trade secrets to the City in connection with this proposal or the contract. The candidate acknowledges that the City will rely on the preceding sentence.

260. Addenda. The cover letter should list the last addendum that the City issues for this RFQ, with a statement such as *The undersigned candidate has read all the addendums issued by the City for this RFQ, through and including Addendum No. ____*. In that blank the candidate should list the number of the last addendum.

HOW TO SUBMIT A PROPOSAL

270. How to submit a proposal.

Candidates should submit their proposals in a sealed envelope. The envelope should be addressed for delivery to the Project Manager at the address shown in the "Project Manager and Contact with City" section at the beginning of this RFQ.

Write the following prominently on the outside of the envelope: Request for Qualifications for Water and Sewer Design Services (Contract WS-86C)

Proposals are to be received no later 4:00 PM on Wednesday, December 5, 2018. Proposals cannot be made by email or fax.

280. Format. Submit one copy of the proposal and a memory stick with a PDF of the proposal.

290. Alternative Proposals. If you wish to submit a proposal that does not comply with the City's standards and expectations, consider submitting two proposals: a proposal that complies, plus a proposal that does not comply, so that your "non-compliant" version can be considered as an alternative if the City is interested. This will allow your compliant version to be considered if the City remains steadfast on applying the standards and expectations.

300. Candidate to Bear Expense; No Claims against City. No candidate will have any claims or rights against the City arising out of the participation by a candidate in the proposal process. No candidate will have any claims or rights against the City for the City's failure to award a contract to it or for awarding a contract to another person, firm, or corporation, regardless of whether the other person, firm, or corporation participated in the RFQ process or did not submit a proposal that complied with the RFQ. A notice of award will not constitute acceptance by the City; the City's only method of acceptance is the City's execution of a formal contract in accordance with law.

310. State Treasurer's lists regarding Iran and Boycott of Israel. If the value of the contract is \$1,000 or more, the following applies unless the candidate otherwise states in its proposal: the candidate affirms (by submitting a proposal) that (1) its name does not appear on the list of companies that are engaged in a boycott of Israel developed by the N. C. State Treasurer under N.C.G.S. 147-86.81(a)(1) or on a list created by the Treasurer pursuant to N.C.G.S. 147-86.58 as a company engaging in investment activities in Iran, and (2) it has no reason to expect that its name will appear on either of those lists. Take notice that a contract between a company named on either list and the City may be void.

320. Notice under the Americans with Disabilities Act. A person with a disability may receive an auxiliary aid or service to effectively participate in city government activities by contacting the ADA Coordinator, voice (919) 560-4197, fax 560-

4196, TTY (919) 560-1200, or ADA@durhamnc.gov, as soon as possible but no later than 48 hours before the event or deadline date.

330. Values of City of Durham regarding Treatment of Employees of Contractors

- A. Statement of City EEO Policy.** The City of Durham opposes discrimination in employment because of race, color, religion, sex, national origin, political affiliation or belief, age, or handicap. Therefore, it desires that firms doing business with the City:
1. not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, political affiliation or belief, age, or handicap.
 2. take affirmative action to insure that applicants are employed and that employees are treated equally during employment, without regard to race, color, religion, sex, national origin, political affiliation or belief, age, or handicap. This action includes employment, upgrading, demotion, transfer, recruitment or advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
