

CARPENTER-FLETCHER ROAD (SW-44) SIDEWALK & BICYCLE FACILITIES

WE WANT TO HEAR FROM YOU!

If you live, work, or travel along Carpenter-Fletcher Road in Durham, you'll want to mark your calendar for a meeting to discuss bicycle and pedestrian designs for this busy roadway.

The City of Durham Public Works Department is now in the 65% design phase for bicycle and pedestrian facilities along Carpenter-Fletcher Road from E. Woodcroft Parkway to S. Alston Avenue and wants to share their work. Residents will be able to review 65% design plans including right of way, temporary and permanent easements, ask City staff questions, and provide input before the department completes final designs.

Can't attend? Send comments to: **David Cates, PE**
David.Cates@durhamnc.gov or (919) 560-4326 ext. 30232
