

December 18, 2018

Addendum No. 2

Request for Qualifications (RFQ)

RFQ No. SD-2019-10

Lodge Street Regional Stormwater Improvements

1. Exhibit D – Underutilized Business Enterprise (UBE) Listing was incorporated into the Request for Qualifications (RFQ). An updated RFQ dated December 17, 2018 will be provided on the project web page (<http://durhamnc.gov/3798>).
2. Section 40.7.A – Geographic Information System (GIS) Data: The [GoMaps](#) hyperlink was updated to the more recent version of GoMaps.
3. Section 40.7.B – As-Built Documentation for the project site has been uploaded to the City’s FTP site. See directions below for information on how to access and download this date.
4. Section 40.7.C – Cityworks service requests and work order records, if any exist, will be provided during contract negotiation.
5. Section 40.7.D – Video Inspection Data: This section has been added to address the availability of video inspection data. This information has been uploaded to the City’s FTP site. See directions below for information on how to access and download this date.
