Durham Continuum of Care Providers Win HUD Funding *Over \$1.25 Million Awarded to Local Projects Supporting Homeless People*

DURHAM, N.C. – Durham projects serving the needs of people without homes have received over \$1.25 million in grant funding through the U.S. Department of Housing and Urban Development (HUD) [Continuum of Care \(CoC\) Program](#).

The City of Durham Community Development Department has been notified that HUD has awarded \$1,261,306 to 10 Durham projects. The competitively awarded grants will help fund permanent supportive housing for homeless persons and families, short-term rental subsidies, and Durham’s Homeless Management Information System (HMIS), which is a common database of the confidential records of Durham’s homeless people.

According to Director Reginald J. Johnson with the Community Development Department, these funds will enable Durham service providers to help end homelessness for hundreds of Durham residents. “These grants will help end homelessness and provide critically needed support to projects in Durham that are on the front lines of serving individuals and families experiencing homelessness. The federal government’s partnership with the Durham CoC is vital to our efforts to reduce and end homelessness,” Johnson said. “HUD continues to challenge us to support our highest-performing programs that are proving to be the most effective in meeting the needs of persons experiencing homelessness. We appreciate the community partnerships that are effectively ending homelessness for hundreds of people in Durham every year.”

The following organizations and programs received FY2018 CoC funding:

- Housing for New Hope’s Andover Apartments (permanent supportive housing for individuals): \$58,806
- Housing for New Hope’s Streets to Home Projects I and II (permanent supportive housing for chronically homeless individuals and families): \$371,453
- Housing for New Hope’s William Square Apartments (permanent supportive housing for homeless individuals with disabling conditions): \$60,003
- North Carolina Coalition to End Homelessness’ NC Homeless Management Information Network project (Durham’s HMIS): \$55,752
- Housing for New Hope’s Rapid Rehousing Projects I and III (short-term rental assistance for homeless households): \$227,132
- Urban Ministries of Durham’s Fresh Start project (short-term rental assistance for chronically homeless individuals) \$203,663
- Durham Housing Authority’s Home Again project (permanent supportive housing) \$117,357
- Alliance Behavioral Health Care’s DASH project (permanent supportive housing): \$167,140

HUD will announce awards for CoC Planning Grants, Bonus Projects, and Domestic Violence Bonus Projects at a later date.

The City's Community Development Department serves as the Durham CoC's lead agency, staffing the collaborative effort to address homelessness and facilitating the development of the community's annual CoC grant application to HUD.

For a complete listing of the grants, visit [HUD's website](#).
