Re: RFP for Sanitary Landfill Groundwater Monitoring Services Consulting, May 2019

The Request for Proposal document is hereby modified as follows:

- In **I INTRODUCTION**: date of approved Water Quality Monitoring Plan (WQMP) is June 2009, and amended May 2011 and October 2014. Approved WQMP, as amended, is available on North Carolina's DEQ website at <https://deq.nc.gov/about/divisions/waste-management/waste-management-rules-data/e-documents>. Add sentence "It is the intent of the City to enter into a contract for a period of time up to five years in length."
- In **II SCOPE OF WORK**: delete reference to May 2011. Delete Task 1A a paragraph and replace with the following:
 - **Sampling**: collect groundwater samples from the regulatory monitoring wells, in accordance with applicable State and Federal guidance, including applicable quality control/assurance protocols. The wells contain dedicated sampling ports and the contractor shall supply their own sampling equipment for their operation. The contractor shall be responsible for the cleaning and preparation of all sampling equipment. The wells are developed for Low Flow sampling techniques. Perform an assessment of the existing dedicated sampling ports, tubing and complete sampling system; recommendation of system repairs and upgrades; assistance with procurement of new equipment if necessary; installation of new/repaired components.
- In **III REQUEST FOR PROPOSALS SUBMITTAL PROCEDURES**: Modify B. RFP Schedule dates as follows:
 - RFP Due Date is July 11, 2019, by 3:00 PM
 - New RFP Evaluation time is July 12-19
 - New presentation dates, if needed, are July 22, 23

In paragraph **E Deadline for Submittals**, change date to 'July 11, 2019'.
