From: Cerelyn J. Davis, Chief of Police

Subject: HRC 4 – Take Home Car Program

This memo is to provide a status update on the Uniform Patrol Take-Home Car Program. We have reached the end of this three-year project. All 100 vehicles that were ordered for the Uniform Patrol Take Home Car Program have been received and fully outfitted for assignment. Out of the 100 vehicles purchased under this program, all but 10 cars have been assigned to uniform patrol officers living within the City Of Durham. The remaining unassigned vehicles are scheduled to be assigned to officers that are slated to become eligible to receive a Patrol Take Home Vehicle over the next few months.

This memo concludes scheduled updates on the Uniform Patrol Take-Home Car Program.
