

# Water Into Trees

## Durham Tree Planting Fund Through Water Bill Donations

You can help the City of Durham plant more trees by making a donation to the "Water Into Trees" program through your water bill. Your donation through this optional program will be used exclusively by Durham's urban forestry program to purchase additional trees for streets, parks, and green spaces.

Trees provide Durham residents with clean water and air, healthy places for outdoor activities and exercise, energy conservation, and increased property values!

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Account Number: \_\_\_\_\_

Customer Number: \_\_\_\_\_

I wish to support Durham's tree planting efforts by contributing in the following manner:

### ONE-TIME LUMP-SUM DONATION:

- \$10** Will pay 1/2 the cost of a small tree
- \$50** Will pay 1/2 the cost of a large tree
- \$100** Will pay the full cost of a large tree
- \$\_\_\_\_** Other

### INCREASE MY WATER BILL EACH BILLING CYCLE BY THE FOLLOWING:

- \$1** Will plant 1 small tree every 2 years
- \$2** Will plant 1 small tree every year
- \$5** Will plant 1 large tree every year
- \$\_\_\_\_** Other

Round up to the nearest dollar each billing cycle.

- I am a past contributor to this program and wish to discontinue my support.  
 Please discontinue my enrollment in this program.

By signing this form I acknowledge that I authorize the above changes in the billing of my account:
