

**Unsheltered Coordinating Agency
Request for Proposals (RFP)
Addendum # 3
January 27, 2020**

All information contained in this amendment dated January 27, 2020 shall become part of the Unsheltered Coordinating Agency RFP located at <https://zoomgrants.com/gprop.asp?donorid=2251>

The Community Development Department has been made aware that question 25 of the Unsheltered Coordinating Agency RFP doesn't allow applicants to answer the question completely. "Other" is not an option to check and there isn't a text box allowing an explanation for the rationale, if needed.

Applicants should check "individual" or "shared" based on what most closely matches the program design. Should applicants have additional information to provide regarding the response to this question, applicants should explain their rationale in the Attachment "Staffing Proposal" as a separate page titled "Rationale to Question 25".
