To: Prospective Bidders

Subject: Addendum Two: Changes to Project Manual and Answers to Questions

Project: 2020 Public Works – St. Maintenance Concrete Repair (SW-78)

This Addendum corrects the following for the subject referenced contract.

- **Changes to Project Manual**

This addendum revises the project manual to include corrections to page 100:

1. Change to the section “PRICE ADJUSTMENT - ASPHALT BINDER FOR PLANT MIX”: Asphalt binder adjustments **will not** be utilized. Any previously posted information pertaining to binder adjustments being utilized are null and void.
2. Correction to the section “LUMP SUM PAYMENT FOR TRAFFIC CONTROL”: The Contractor shall maintain traffic ~~on UNIVERSITY DRIVE~~ during construction and shall provide, install and maintain all traffic control devices as shown in the *Roadway Standard Drawings* or as directed by the Engineer.

- **Answers to Questions**

1. Will asphalt binder adjustments be considered for this project?
There will not be binder adjustments on SW-78
2. There are no concrete removal items on the bid item sheet. Do you anticipate that there will not be any required for the sidewalks, driveways, and aprons?
All concrete line items should include removal, material and installation
3. Should concrete removal be considered incidental to the curb ramp construction?
Yes
4. Can you please clarify or supply a detail for construction of Item #22 Brick Paver Retaining Wall?
This price would reflect restoration for every 4 in. in height for brick pavers
5. Will the entire bid manual need to be submitted or just the pertinent required bid documents?
Pertinent required bid documents (any document you write on)
6. Can you please confirm the bid drop off location?
Bids are to be dropped off at 101 City Hall Plaza, Durham, N.C. 27701 by the pull off area on Mangum Street within thirty minutes prior to the bid opening. There will be someone at the door collecting bids.

Please let me know if you have any questions.

Sincerely,

Mike Boyd
