

# APPLICATION FOR DISCOUNT ID

**WHO IS ELIGIBLE?** To be eligible for a Discount ID card from Durham Area Transit Authority, an individual through illness, age, injury, or congenital malfunction, is unable to utilize mass transportation facilities and services as effectively as persons who are not so affected. Individuals who qualify for the Discount ID require special facilities (such as ramps, lifts, or a wheelchair securement system), services (such as audible bus stop announcements), or planning (such as needing an aide to accompany or needing audible crosswalk signals or curb cuts to get to a stop).

**WHO IS NOT ELIGIBLE?** Persons whose disabilities do not make it substantially more difficult for them to use public transportation when compared to a non-disabled person are not eligible for the DATA Discount ID card. Examples of disabilities that are included in this category are contagious disease, pregnancy, obesity, and drug or alcohol addiction. Persons whose disability is corrected with medication, glasses, hearing aids or prosthetics are also not eligible.

To apply for your card, bring this completed form to DATA, 1907 Fay Street with two forms of identification, one with a picture. **Please call 560-3282 x 201 for an appointment.**
