MEMO TO: Small Local Business Enterprise Program Participants  
SUBJECT: Request for Qualifications for Inspection Services  
PROJECT: ST-281C Inspection Services for various City projects

This is a Request for Qualifications (RFQ) from SLBE firms to provide Paving Inspection, and Full Depth Reclamation (FDR) Paving Inspection services for two paving projects. The firm must provide both Paving Inspector and FDR Inspector scopes of services. There will be two separate contracts, one for each location. Due to the limitations on the size of the contract under the SLBE Program, the two locations cannot be combined and have one firm be awarded both inspection jobs.

The project manual is available for download at the following web page.

<http://durhamnc.gov/509/Construction-Design-Projects-Active>

We look forward to receiving your proposal. If you have any questions or require additional information, please contact me.

Sincerely,

Edward R. Venable, PE  
Contract Management Supervisor
